Sport achievement

Namwu Domiano leading the 4 x 100m relay team to victory

Our junior team came first in the sub-county school sports. They surprised everyone. Several pupils qualified for the next level of competition, which was the county sports. Among them were:

Kakai Gift in 200m and 400m

Namwu Domiano in triple jump, 400m and relay.

Mukite May, Magidu Wasike and Maweda Dennis, all in javelin

Gimuno Esther in 3,000m

Shisa Robert in high jump

Kakai Gift in the black skirt winning the 400m.

Javelin & high jump success

Shisa Robert winning the high jump and Magidu Wasike winning the javelin.

As you can see, the facilities are very inadequate. The javelin is a length of stick and the high jump is made up of bits of wood and rope and there is no crash mat to land on, so there is no recognisable technique used.

The school have requested donations of basic equipment such as javelins, discus and shots for shotput.
